To Whom It May Concern:

I am very happy to recommend Jerry Janes to you. I have worked with Mr. Janes for three years at Andes Central School and have always been impressed by his commitment to his job and his incorporation of technology into his lessons.

Mr. Janes is organized, focused, and dedicated. I marvel at how he accomplishes so much! In addition to teaching a variety of English and Spanish classes at Andes Central, Mr. Janes also teaches Spanish to Armour students via DDN and teaches an online Global Learning class. As a result, he has a variety of successful experience with distance education.

I admire Mr. Janes both personally and professionally. He has my highest recommendation for your position. If you have any further questions, please contact me.

Thank you for your time and consideration.

Cordially,

Brenda DeHaan
