To Whom It May Concern:

I have known and worked with Jerry Janes for the past three years. During that time he has worked hard to prepare the students of Andes Central High School with the knowledge and skills they need to meet the 21st century head on! He is well organized and prepared to meet the needs of the students. Jerry has a variety of responsibilities at Andes Central. His organization and technical skills make it possible for him to be very successful in all of them.

I am sure that Jerry would do a good job as a distance learning instructor for the Rapid City Area Schools' Virtual Campus. Please call me at (605) 487-7655 if I can be of further assistance.

Thank you.

Sincerely,

Ruth Krogh
Director of Curriculum & Special Programs
