To Whom It May Concern:

It is with great pleasure that I recommend Mr. Jerry Janes for a teaching position.

Mr. Janes taught at Dubois High School this past year, during which time my son was a student in his Language Arts II class. His other teaching responsibilities were Language Arts I and III, Spanish, and technology classes for staff members. Mr. Janes also coordinated a fall drama club. My son greatly admires Mr. Janes for many reasons. In his eyes Mr. Janes is very professional, very approachable, and interested in all students doing their best. Mr. Janes has inspired my son to reach his highest potential.

Mr. Janes and I have visited several times, including two parent-teacher conferences. He listened openly to any questions I had and spent ample time with me discussing the curriculum and my son's performance at school. Mr. Janes is honest, deeply conscientious, professional, and hard working. He is extremely knowledgeable and talented at integrating technology into the classroom.

I strongly recommend Mr. Janes and am sure that you will be more than satisfied with his performance in the classroom.

Sincerely,

Janet Lee
