

- Each group receives one Decision Form for the group and a Situation Form for each member.
- Read each situation (alone, first) and decide as a group whether the behavior is:
 - Ethical
 - Unethical
 - Unethical *and* criminal
- Then, you should determine how you think most business people would react to the same situation.
- When your group finishes, one member of the group should report their findings to Mr. Janes.
-
- The responses are recorded on the Mimio.
