

## Internet Safety Workshop

### *Is it safe?*

Critique your peer's PowerPoint collage. Does it have any of the following PRIVATE information? If so, put a checkmark next to the information listed:

- \_\_\_\_\_ full (first and last) name
- \_\_\_\_\_ postal address
- \_\_\_\_\_ name of school
- \_\_\_\_\_ school address
- \_\_\_\_\_ E-mail address
- \_\_\_\_\_ phone number
- \_\_\_\_\_ passwords
- \_\_\_\_\_ calling card number
- \_\_\_\_\_ credit card number
- \_\_\_\_\_ social security number
- \_\_\_\_\_ mother's maiden name
- \_\_\_\_\_ your parent's place of work
- \_\_\_\_\_ photos in which you can be recognized

Finally, does it have anything else you think you could use to identify that person?

Circle: YES NO

If YES, what extra did you find?
