

Today's Challenge:

Section 2: In this section of the challenge you are going to make changes to the presentation you previously created, **Where I Learn**.

Open the **Where I Learn** presentation.

Insert a new slide **at the end of your presentation** with a **title placeholder** and a **bulleted list placeholder** (Title and Text).

Type **this title: Technology Lab** and type some interesting information **about the Technology Lab**. **Format this information so it is not in a bulleted list (highlight information first, then click on the bullet icon to remove bullets)**.

Save and close the document.
